

WE CARRY THE TORCH FOR YOU 2004 SUMMER GAMES

 PanAmSat®

Triumph with PanAmSat Broadcast Services

Swimming. Gymnastics. Basketball. Archery. Cycling. Track and Field. The 2004 Summer Games will bring together top athletes from around the world to compete in venues that spread from the Acropolis to the outskirts of Athens. It's an extraordinary event that will require extraordinary planning. Triumph with PanAmSat, the leader with 20 years of experience in providing international satellite services anytime, anywhere. We'll be onsite in Athens ready to carry the torch for you!

We offer:

- A complete range of space segment services
- End-to-end turnkey solutions
- Special events expertise
- Regional knowledge, global coverage
- Dedicated engineering consultation
- A full range of production services including studios, editing suites, dubbing facilities, equipment rental, playout and livenesshot services, and first mile connectivity

PanAmSat is the largest single-source provider of occasional-use space segment and teleport services with nearly 7,000 hours of monthly special events transmissions worldwide. Nearly 1,000 broadcast, cablecast, syndication, business television, news agencies, and distance learning customers use our broadcast services for notable events each year. We've brought the world together with prestigious sporting events including Copa America Soccer, France World Cup, Sydney Summer Games, and the Salt Lake City Winter Games.
